Environmental Report

Environmental Water Samplings

Sample Type	Drinking water	
Method	Membrane Filtration	
Environmental Health Officer	Jack Davidson	
Site Address	Savary Shores	
System Type	15-300 Connections	
Specimen Source	Deep Well	
Boil Advisory	No	
Site Treatment	No	
Total Coliform	Less than 1	Count/100mL
Escherichia Coli	Less than 1	Count/100mL

Reported by: PHSA Environmental
